# VADERX RS

## CARP VADERX RS CARP RODS

Evolved and refined version of our award winning VADERX carp rods. Now with a sleek black armoured blank finish. Guides are updated to super-light M-SERIES which gives the rod tip phenomenal recovery speed for even better crisp and accurate casting. They still have the elegant VADERX look with a subtle red tipping that adds a touch of class.

### SPECIFICATION

- » Slim, lightweight sleek black armoured carbon blank
- » Progressive casting action with superfast tip recovery
- » Super-light M-SERIES DL black guides
- » Hard wearing Anti-frap ceramic tip ring
- » 40mm guide pattern on 12ft 2.75lb and below
- » 50mm guide pattern on 12ft 3.00lb and above
- » Fold friendly ringing pattern
- » 17mm black DPS reel seat to house all big pit reels
- » Line friendly custom contoured Sonik clip
- » Slim Japanese shrink wrap butt grip
- » Black anodised butt cap laser etched with 'S' logo

# DOMINATORX RS

CARP

## DOMINATORX RS CARP RODS

Locked and loaded, the new DOMINATORX RS Carp rod has been further improved for unprecedented performance at this price point. High modulus 1K woven carbon fibre with a sleek gloss finish and our multi-directional tip section carbon lay-up for accuracy and quicker recovery. A smooth progressive casting action is matched to a slim lightweight blank that is bang up to date for the latest carp fishing tactics. Whether it's launching leads and PVA bags to the horizon or battling hard fighting fish at close range, the DOMINATORX RS will keep you in control. The butt and lower tip section feature full 1k woven carbon with a sleek minimalist build featuring DPS-18 reel seat, stealth black anodised collars, slim shrink wrap handle and laser etched butt cap.

### SPECIFICATION

- » High modulus carbon fibre blank with 1k wrap gloss finish
- » Multi-directional tip section carbon lay-up for increased accuracy
- » Super-light M-SERIES DL black guides
- » Lightweight low-profile double leg black SIC guides and anti-frap tip
- » 50mm ringing pattern on 12' & 13' models
- » Sonik Black DPS reel seat to house all big pit reels
- » Understated cosmetics
- » Line friendly custom contoured Sonik clip
- » Slim Japanese shrink wrap butt grip
- » Black anodised collars and butt cap laser etched with 'S' logo

CARP

# TOURNOS XD SERIES CARP RODS

There are a number of key ingredients to a good carp rod and SONIK have been perfecting the recipe for many years. In the background, we often research and test the latest carbon materials available, but price precludes their use in today's competitive carp rod market. The Tournos XD is the exception to the rule and stands head and shoulders above the competition at this price.

With a crisp, powerful casting action the rod is tailored for anglers who push their rods to the limit on bigger waters when targeting specimen fish. The low resin Japanese Toray carbon fibre blanks are slim, lightweight and immediately impressive in the hand. Used and endorsed by our world class team of anglers, we are confident the Tournos XD rods will become the go to rod at this price point and make a perfect match with the new Tournos XD 1000 Gold spool reels.

## SPECIFICATION

- » High modulus, low resin carbon blank
- » Multi-directional fibre tip section lay-up
- » 1k armoured carbon weave throughout
- » American Tackle 3K Carbon reel seat
- » Lightweight low-profile DL-Black ceramic guides & anti-frap tip
- » Full Japanese shrink rubber handle
- » Anodised and laser etched butt cap
- » Supplied with neoprene tip, butt and guide protectors

# GRAVITY XFW SERIES CARP RODS

Sonik GRAVITY carp rods have built up an enviable reputation over the last decade. We partner with some of the world's leading materials engineers and working specifically with Frank Warwick over the last 2 years has resulted in us meeting his challenge to push the limits of carp rod performance. The result is the GRAVITY XFW signature series where performance speaks for itself.

## SPECIFICATION

- » Ultra high modulus, low resin carbon blank
- » Multi-directional nano-fibre tip section lay-up
- » Lite-ply 1k armoured carbon weave throughout
- » ALPS AFW-18 Matt Black deluxe reel seat
- » Lightweight low-profile DL-Black SIC guides & anti-frap tip

# XTRACTOR

## CARP

# XTRACTOR CARP RODS

With the increase in popularity of short, semi-telescopic carp rods, the new XTRACTOR carp rods fill a real gap in the market for affordable top-quality rods that are easy to transport due to their short pack down lengths. Two 9' models and two 10' models with test curves ranging from 2.75lb to 3.5lb make up the range, with pack down lengths of 44" and 50". The super-slim matt black, part-telescopic carbon fibre blanks have plenty of reserve power in the butt section and a fast tip recovery to give surprising performance whether casting or playing large fish close in or at range.

Lightweight black M-Series DL guides with anti-frap tip, 17mm DPS reel seat, Japanese shrink wrap handle, custom line clip and a black anodised butt cap, laser etched with 'S' logo completes a top-quality specification. Ideal matched with the custom Sonik Xtractor rod sleeves, which are available in 9' and 10' lengths and can be easily connected for safe, effective transportation.

## SPECIFICATION

- » Slim, silk matt black carbon fibre blank with progressive power action
- » Super-light M-SERIES DL black guides
- » Hard wearing Anti-frap ceramic tip ring
- » Large ID 40mm to 12mm ringing pattern
- » 17mm black DPS reel seat to house all reels
- » Line friendly custom contoured Sonik clip
- » Slim Japanese shrink rubber handle
- » Black anodised butt cap laser etched with 'S' logo

## XTRACTOR CORK CARP RODS

With the increase in popularity of short, retractable butt carp rods, the new XTRACTOR carp rods fill a real gap in the market for affordable top-quality rods that are easy to transport due to their short pack down lengths. Two 9' models and two 10' models with test curves ranging from 2.75lb to 3.5lb make up the range, with pack down lengths of 44" and 50". The super-slim matt black, part-telescopic carbon fibre blanks have plenty of reserve power in the butt section and a fast tip recovery to give surprising performance whether casting or playing large fish close in or at range.

Lightweight black M-Series DL guides with anti-frap tip, 17mm DPS reel seat, full retro slim-cork handle, custom line clip and a black anodised butt cap, laser etched with 'S' logo completes a top-quality specification. Ideal matched with the custom Sonik Xtractor rod sleeves, which are available in 9' and 10' lengths and can be easily connected for safe, effective transportation.

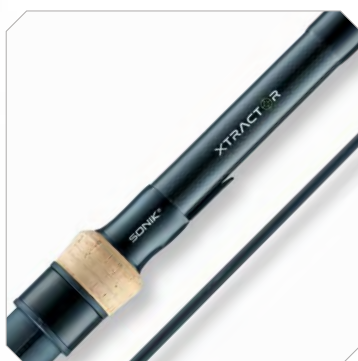

### SPECIFICATION

- » Full retro slim-cork style handle
- » Slim, silk matt black carbon fibre blank with progressive power action
- » Super-light M-SERIES DL black guides
- » Hard wearing Anti-frap ceramic tip ring
- » Large ID 40mm to 12mm ringing pattern
- » 17mm black DPS reel seat to house all reels
- » Line friendly custom contoured Sonik clip
- » Black anodised butt cap laser etched with 'S' logo

# XTRACTOR RECON

CARP

## XTRACTOR RECON CARP RODS

The XTRACTOR RECON 8ft rod range pack down to only 30 inches while the 12ft models pack down to only 50 inches. The XTRACTOR Recon's are some of the most versatile carp rods that we have ever produced.

The 8ft models feature a longer style handle and 40mm ringing pattern – 50mm for the 12ft range, which both aid in casting and fish-playing ability. Like all XTRACTOR rods you will find these to have a satisfying progressive action lending itself perfectly to all forms of carp fishing.

Of course, at such compact pack-down sizes, these could be the travel carp rods that you have been waiting for but don't be deceived; the performance of these rods just might convince you to keep a set handy for whenever a fishing opportunity arises.

The 8ft range are available in 3 test curves which will cover any carp fishing scenario you are likely to encounter;

- » Slim, silk matt black carbon fibre blank with progressive power action
- » Super-light M-SERIES DL black guides
- » VARI-TAPER™ joint construction
- » 40mm guide pattern with Anti-frap tip
- » 17mm black DPS reel seat to house all reels
- » Line friendly custom contoured Sonik clip
- » Slim Japanese shrink rubber handle
- » Black anodised butt cap laser etched with 'S' logo
- » 8FT transport length 76cm (30")

The 12ft range specification differs compared to the 8ft models as follows:

- » 50mm guide pattern with anti-frap tip
- » 18mm black DPS reel seat (3.5lb = 20mm)
- » 12ft transport length 127cm (50")

8ft transport length 76cm (30")

12ft transport length 127cm (50")

## INSURGENT

CARP

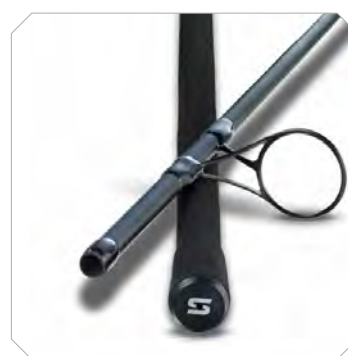

## INSURGENT CARP RODS

Building on the phenomenal success of our other retractable-butt carp rods we wanted to step performance up to a new level. Built without compromise and utilising the latest high modulus TORAY carbon fibre. The SONIK INSURGENT rods will certainly appeal to those who want the best. Light, quick, responsive and with more reserves of power raise the bar even further for the performance of our rods.

For 2020 the INSURGENT range has been expanded and refined, all models 3.00lb and under have been given a 40mm ringing pattern and there is a new 9ft 3.25lb for anglers that need that extra little power in the compact 44" pack down. Also added range are 9ft and 10ft 4.50lb Spod Rods with powerful actions designed for progressive loading for easy spodding at all ranges.

## SPECIFICATION

- High Modulus Toray carbon blank
- Lite-ply 1K armoured carbon weave throughout
- Multi-directional tip section carbon lay-up
- Super-light M-SERIES DL black guides with anti-frap tip
- 50mm guide pattern on 3.25lb models and above (40mm below)
- 18mm Black DPS reel seat
- Slim Japanese shrink rubber handle
- Black anodised butt cap laser etched with 'S' logo

# INSURGENT

## RECON

### CARP

# INSURGENT RECON CARP RODS

Maximum performance and ultimate convenience of shorter pack down length.

The INSURGENT RECON offers a serious alternative to traditional 12ft 2-piece carp rods and has the credentials to prove it.

We are confident that the performance of these rods will challenge your expectations about what is possible with compact retractable-butt carp rod design.

RECON technology utilises a double retractable butt section and combines this with our new VARI-TAPER™ joint construction to produce rods that both look and perform like their 2-section predecessors.

INSURGENT RECON rods also incorporate our multi-directional tip section carbon lay-up further enhancing tip speed and accuracy.

### SPECIFICATION

- » High Modulus Toray carbon blank
- » Lite-ply 1K armoured carbon weave throughout
- » Multi-directional tip section carbon lay-up
- » VARI-TAPER™ joint construction
- » Super-light M-SERIES DL black guides

NEW

## VADERX RS LANDING NET

The VADERX RS landing nets are manufactured with the same careful attention to detail as the rods. They feature slim, lightweight and strong handles in 1PC or 2PC variations. Super stiff net arms with curved end protectors are matched to a medium depth green mesh; this can be tucked into the spreader block retainer for easy manoeuvrability and quick release. With a discrete silk black finish these nets make the perfect match for our rods.

- Stiff carbon composite handle and net arms
- Reinforced carbon composite spreader block with net retainer
- Easy flow deep green hex mesh
- Anodised and laser etched butt cap

## VADERX RS CARP KITS

A brand new addition to the Sonik range for 2021 is the VaderX RS boxed sets, that offer a quality outfit of three rods, reels and a net all packaged in an attractive colour box.

A perfect solution for the busy retailer looking to provide their customers with a perfectly balanced, high performance carp fishing set up at an affordable price.

Available in either 12' 3lb or 3.25lb version, each boxed set comprises:

- 3 X VADERX RS high performance carp rods
- 3 X VADERX RS 8000 big pit reels (including spare spool)
- 1 X VADERX 42" landing net

PRODUCT CODE	DESCRIPTION
JC0035	VADERX RS 12' 3.00LB 3-ROD KIT
JC0040	VADERX RS 12' 3.25LB 3-ROD KIT

## XTRACTOR CARP KITS

A great success in 2020, the XTRACTOR 2 rod carp kit offers the retail trade the ability to sell a complete portable carp fishing solution at a reasonable price whilst retaining good margins.

Each kit is comprised of two Xtractor slim shrink retractable-butt rods (a choice of 9' 2.75lb or 3lb, and 10' 3.25lb or 3.5lb), two Xtractor 5000 reels, plus an Xtractor (T44) 42" landing net all in one eye-catching POS box.

- 2 x Xtractor slim-shrink retractable-butt rods
- 2 x Xtractor 5000 reels
- 1 x Xtractor (T44) 42" landing net

PRODUCT CODE	DESCRIPTION
JC0010	XTRACTOR 2 ROD CARP KIT 9' 2.75LB
JC0015	XTRACTOR 2 ROD CARP KIT 9' 3.00LB
JC0020	XTRACTOR 2 ROD CARP KIT 10' 3.25LB
JC0025	XTRACTOR 2 ROD CARP KIT 10' 3.50LB

## SK-TEK TIP PROTECTORS

Offering extra protection to the tip and butt ends of your rods. The SK-TEK Tip protectors are made from thicker 3mm neoprene and have a double thickness design that offers more protection to each end of your rod. The one-handed velcro tightening straps mean they are quick and simple to secure to your rods.

### SPECIFICATION

- » Thick 3mm neoprene construction
- » Ends are double thickness for extra protection
- » Single handed velcro tightening

PRODUCT CODE	DESCRIPTION
SKTTP	SK-TEK TIP PROTECTORS

## SK-TEK ELASTIC TIP PROTECTORS

Our popular neoprene tip protectors are now available with an elastic connection. Fully compatible with all 2-section carp rods 9-13ft in length. They are also compatible with the SK-TEK reel wrap so you can create a lightweight rod and reel protection system that is great for use on quivers or the outside of multi rod sleeves.

### SPECIFICATION

- » Thick 3mm neoprene construction
- » Ends are double thickness for extra protection
- » Connected with heavy duty elastic
- » Compatible with 2-section rods 9-13ft
- » Single handed velcro tightening

PRODUCT CODE	DESCRIPTION
SKTTECP	SK-TEK ELASTIC TIP PROTECTORS

## XTRACTOR ELASTIC TIP PROTECTOR

Our popular Neoprene tip protectors now available for our retractable butt carp rods. With an elastic connection and fully compatible with all our 44 and 50 inch retractable butt carp rods. The 3mm neoprene is double thickness at each end and the single handed Velcro tightening makes these quick and easy to attach to your rods.

### SPECIFICATION

- » Thick 3mm neoprene construction
- » Ends are double thickness for extra protection
- » Connected with heavy duty elastic
- » Compatible with 44" and 50" retractable butt carp rods
- » Single handed Velcro tightening

PRODUCT CODE	DESCRIPTION
FC0005	XTRACTOR ELASTIC TIP PROTECTORS

CARP

# 3-ROD TRANSPORT SYSTEM (T-50)

**NEW**

SONIK are introducing the ultimate 3-Rod Transport System. Sized to fit three retractable butt carp rods with 44" or 50" pack down lengths. Thanks to the intelligent adaptable design the system will accept rods with different handle lengths. Placing rods on the inner fold out lid allows you quick access to your tackle in the three removable pouches that are perfectly stored under your bedchair.

The Transport system will also fold for easy storage and is made from our ultra tough PVC backed 600D SK-TEK camo material with a HD waterproof base material. There are also two top compression straps for extra accessories and the carry straps can double as a rucksack harness.

## SPECIFICATION

- » Sliding rod strap allows 44" and 50" rods to be perfectly protected
- » 3 removable tackle pouches, perfect for under bedchair storage
- » Sliding reel holders adapt to different handle lengths
- » Folding design for compact storage
- » Side pocket for net pod and sling accessories
- » Fully Lined and padded and reinforced
- » HD 600D PVC backed SK-TEK camo material
- » HD waterproof Base
- » Side grab handles

# CARP SKX BITE ALARMS

# SKX

The Sonik SKX takes bite alarm performance to a new level. With twin bright 5mm multi-colour LED's you can choose your preferred colour combination. The intelligent mute function allows you to quickly, conveniently and silently adjust indicators or line tightness and will automatically re-arm the alarm after 30 seconds. The intuitive control system is quick and simple to operate and the 3+1 set comes complete with protective alarm covers and removable snag ears. Fully weatherproof design and protected electronics ensure these alarms keep performing through the harshest of conditions. The bivvy light that is included as part of the set, also has a host of features with six different delay and brightness settings. It can function completely independently as a standard bivvy light or when synchronised with the alarm heads provides an extra level of illumination. Each alarm can also be assigned a colour channel so that you instantly recognise which alarm head has been triggered and perfect placement is easy with both hook or magnetic bivvy attachment plate.

## ALARM SPECIFICATION

- » Twin Multi-colour LEDs (Red, Green, Blue, Yellow, Purple, White)
- » Six Sensitivity Levels
- » Seven Volume and Tone settings (including silent mode)
- » One-touch intelligent mute function

# SKSC COMMERCIAL WAGGLER & FEEDER RODS

A dedicated range of light and well balanced rods designed for bagging up on carp and silvers on commercial fisheries. With impressive performance and specification for price, these two piece responsive float and feeder rods cover all the popular lengths and styles required in modern match and feeder fishing situations.

Available in 9', 10' and 11' two piece options, the slim and strong 24-ton carbon blanks have lightweight titanium oxide guides, screw down EVA reel seat, quality cork/EVA handles and are supplied in a cloth bag.

## SPECIFICATION

- » Lightweight, slim and strong 24-ton carbon blanks
- » Quality cork/EVA handle
- » Screw down EVA reel seat
- » Titanium oxide insert guides throughout
- » Supplied in quality cloth bag

PRODUCT CODE	DESCRIPTION
SKSCFEED1	SKSC-COMMERCIAL FEEDER 9' (LENGTH 2.74M MAX LINE 6LB)

SONIK®

## COARSE SPECIALIST BARBEL RODS

The perfect rod to suit the needs of the adaptable, modern big-fish river angler. These rods come complete with isotope inserts, tough rod guides and slim cork handles. They have been carefully engineered to be light and well balanced with a progressive action that will control lunges of the strongest fish eliminating hook pulls at close range.

### SPECIFICATION

- » High modulus carbon blanks
- » Powerful butt sections with sensitive tip
- » Built in isotope inserts
- » Full slim cork handles
- » Screw winch reel seat
- » Low profile SIC lined rings suitable for braid and mono

PRODUCT CODE	DESCRIPTION
SKSBRB010	SONIK SPECIALIST BARBEL ROD 12' 1.75LB
SKSBRB020	SONIK SPECIALIST BARBEL ROD 12' 2.00LB

## COARSE SKSC COMMERCIAL REEL

**SKSC**  
COMMERCIAL

The SKSC Commercial reels are robust, reliable and have a host of features that make them a pleasure to use. They are the perfect partner for our commercial rods but are equally versatile for any number of fishing situations. They feature a lightweight graphite body, balanced rotor and great line lay. Also supplied with a standard and spare shallow aluminium spool.

### SPECIFICATION

- » Designed for commercial waggler/feeder fishing
- » 5+1 Ball bearings
- » Lightweight graphite body
- » Oversize bail arm and balanced rotor
- » Multi-disc front drag
- » Supplied with standard and shallow aluminium spools
- » Compact CNC handle with right/left exchange
- » Gear ratio - 5.2:1

#### LINE CAPACITY:

3000 - Shallow Spool: MM/M 0.20/120 – 0.26/80 – 0.31/50 • Deep Spool: MM/M 0.25/180 – 0.31/170 – 0.33/150

4000 - Shallow Spool: MM/M 0.28/70 – 0.31/60 – 0.33/50 • Deep Spool: MM/M 0.28/200 – 0.31/170 – 0.33/150

5000 - Shallow Spool: MM/M 0.31/50 – 0.33/45 – 0.35/40 • Deep Spool: MM/M 0.31/210 – 0.33/190 – 0.35/170

PRODUCT CODE	DESCRIPTION

SKSCR040	SKSC COMMERCIAL REEL 4000
SKSCR050	SKSC COMMERCIAL REEL 5000

COARSE

## SKSC COMMERCIAL NET HANDLES

High modulus ultra-stiff and light carbon net handle. 3-section take apart design can be used at full 3.3m or with 2 sections at 2.2m. Reinforced wear areas, grip paint handle and threaded inserts are both bonded and pinned for maximum durability. The handle butt is protected by a robust metal screw cap which also keeps the sections neatly secured during transit.

Also available in a 2-section 3m version that is ultra-light and ultra-stiff. With the same durable components.

### SPECIFICATION

- » High modulus carbon material
- » 3 or 2 section design
- » Length 2.2m or 3.3m
- » Pinned and bonded screw fittings
- » Protective metal end cap

COARSE

## SKSC COMMERCIAL LANDING NETS

The SKSC landing nets are extremely versatile, manufactured from a strong but light weight D-profile frame with moulded spreader block and stainless screw thread. The larger 6mm side mesh is quick drying and allows the net to glide through the water easily making it ideal for speedy netting. They are also a fantastic all-round landing net that is suitable for everything from small silverfish through to big match sized carp.

### SPECIFICATION

- » Lightweight D-section alloy frame
- » Dual size mesh
- » Extra strong spreader block
- » Stainless steel thread
- » For carp and silverfish

PRODUCT CODE	DESCRIPTION
SKSCLNH010	SKSC COMMERCIAL DUO LANDING NET HANDLE 3.3M
SKSCLNH020	SKSC COMMERCIAL LANDING NET HANDLE 3M
SKSCLN15	SKSC COMMERCIAL LANDING NET 15" (SINGLE PRICE)
SKSCLN18	SKSC COMMERCIAL LANDING NET 18" (SINGLE PRICE)

## LURE

# DOMINATORX TRAVEL SPINNING RODS

A concise range of highly affordable, well-specified travel spin rods that cover most general lure fishing requirements. Lightweight, multi-modulus carbon fibre blanks with a crisp, fast action which is ideal for casting and controlling angry fish. Quality components and fittings ensure long lasting satisfaction with each rod supplied in a hard Cordura travel tube.

## SPECIFICATION

LURE

## VADERX SPINNING RODS

The VADERX Spinning rods are an ideal choice for the committed lure angler who is looking for top performance and specification without breaking the bank. A lightweight carbon blank is designed to perform across the lure fishing spectrum by offering a fast and fairly powerful action for tackling high powered predators and hard fighting fish. The top-quality blank has been finished with a high-grade cork handle with rubberised cork reinforcement for comfortable and warm grip in cold weather. Featuring high frame K-style guides for tangle free smooth line release and greater casting distance, these rods are great value for money with performance to match.

### SPECIFICATION

- » Perfect for boat or bank fishing
- » Lightweight, progressive action blanks
- » Slim ergonomic cork handles with rubberised cork reinforcement
- » Quality DPS reel seat and hook keeper ring
- » 'K' style guides for low line friction whilst casting
- » Anti-Tangle 105° forward ring sweep with deep drawn frame for extra strength and protection
- » Low profile tip guides for increased tip recovery
- » Anti-frap tip ring

## LURE VADERX TELE-SPIN RODS

The VADERX TELE-SPIN rods are perfectly portable and suited to a wide variety of fishing situations. High quality lightweight carbon blanks with progressive power put you quickly in control and an increased size ringing pattern offers better line control for a wider range of breaking strains. With three lengths and strengths to choose from the VADERX TELE-SPIN are rods that can accompany you anywhere. They offer 66cm 69cm or 72cm transport length respectively and also come supplied with a protective side-over ring guard.

### SPECIFICATION

- » Lightweight, progressive action blanks
- » Slim ergonomic cork handles with rubberised cork reinforcement
- » Quality DPS reel seat and hook keeper ring
- » Screw In butt cap for easy section cleaning
- » 'K' style guides for low line friction whilst casting
- » Anti-Tangle 105° forward ring sweep with deep drawn frame for extra strength and protection
- » Low profile tip guides for increased tip recovery
- » Supplied with protective ring guard

## GRAVITYX5 SHORE ROD

A brand new equal section 14' powerful shore rod reinforced with the very latest X5 Nano-carbon technology. Supreme long casting performance combined with incredible power and fast recovery, for fishing heavy ground rock marks with ease.

With excellent bite registration and a smooth power transfer down the blank, capable of extreme long range casting in the right hands, the SONIK GRAVITY X5 rod takes high performance shore fishing rods to a new level.

### SPECIFICATION

- » Ultra-High modulus, low resin carbon construction
- » X5 multi-directional nanofibre tip section lay-up
- » Fuji Alconite guides with sleek black finish and anti-wrap tip ring
- » Double leg 3D guide frames for increased support and ceramic protection
- » Grip paint above and below joint section
- » High quality Japanese shrink wrap handle
- » Custom Sonik 'slide-lock' reel seat for perfect placement
- » High impact rubberised end cap

PRODUCT CODE	DESCRIPTION
GRAVX5014	GRAVITY X5 14' 5-7oz 2pc

# X5 HT

SEA

## GRAVITY X5 HT SHORE ROD

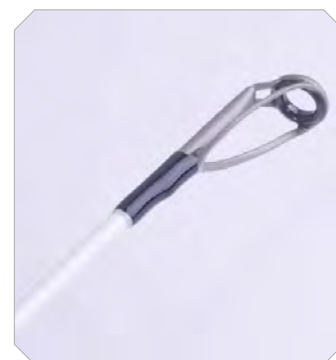

Introducing the new and improved version of the very popular Gravity Surf HT. It follows the design principles of the previous model offering the right balance of power, balance and weight for an easy casting 3 piece rod with enough power to cope with larger leads as well sitting well in heavier tides and swells.

The specially designed Hollow Tip (HT) not only sits very well in the tide but has a very fast recovery allowing the angler to produce huge distances with a simple over head cast.

We would recommend this rod for anglers wanting a true 'all round' 3 piece rod. It will cope with Smoothound and Rays without having to use a much heavier rod and sacrificing distance.

### SPECIFICATION

- » Super lightweight high modulus carbon blank
- » X5 multi-directional nanofibre tip section lay-up
- » Fuji Alconite K Series Guides
- » Fuji corrosion control frames provide 7-times more corrosion resistance
- » Fuji DPS Reel fitting
- » Shrink wrap on the lower handle to improve grip whilst casting
- » White hollow carbon tip for easy bite detection in poor light conditions
- » Unground carbon finish at rod joints makes it easier to take apart after use

PRODUCT CODE	DESCRIPTION
GRAVX5015	GRAVITY X5 HT 15'4" 4-8oz 3PC

# SKSBLACK

## VADERXS SHORE ROD

A brand new range of incredible value surf rods that deliver unbeatable performance for the price. Available in three lengths to cover most shore fishing applications, the blanks are well balanced with a progressive casting action and excellent bite registration.

### Sonik Vader X 13ft Shore Rod 4-6oz

Ideal for clean to mixed ground beaches, it is suitable for a variety of species from Plaice fishing at range to bullying Rays from the depths.

### Sonik Vader X 14ft Shore Rod 4-7oz

Ideal for clean to mixed ground beaches, it is suitable for a variety of species from Plaice fishing at range to bullying Rays from the depths.

### Sonik Vader X 15ft Shore Rod 4-7oz

Ideal for mixed ground venues where the need is to put baits a long way with a simple overhead cast. Performs best with 5oz leads but can cope with larger leads and handle hard fighting species such as Smoothounds.

### SPECIFICATION

- » Multi modulus carbon fibre blanks with progressive casting action
- » Larger guides feature XD frame for greater ceramic impact protection
- » Zirconium Oxide Guides
- » Ringing pattern compatible with both fixed spool and multiplier reels
- » High impact rubberised end cap
- » Anti-Frap tip ring
- » High quality DPS Reel fitting
- » White Hi-viz tip for easy bite detection
